THE PASTOR'S PAGE

It's that time again! Time for the mad dash to Christmas. Once again our lives will be thrown into upheaval as we make our often frantic preparations for the big day. If you find yourself at wits end this holiday season, it may be because you've lost the real meaning of Christmas. And what is that? It's quite simple: *God loves us*. Christmas is the grand climax of the story of God's love affair with the human race. The entire Bible, from beginning to end, is the story of that love affair, an affair that culminated in a manger in Bethlehem two thousand years ago.

Prior to the birth of Jesus, God had been courting the human race and expressing his love to us for thousands of years. The Old Testament is the story of that courtship. But God had a difficult time delivering his message of love. The Old Testament is the account of God's many attempts to communicate his love to us—through miracles and mighty acts, through prophets, priest, and kings. But we never quite seemed to get the message. A few did, but most often the people misunderstood or even rejected God's message. They spurned God's love in order to pursue other suitors, to chase after idols and false gods.

But our God is a patient suitor who never stopped trying to win us over. And finally, God found one human being who was willing to fully accept his love: Mary. Mary did not reject God's love, but was willing to be the bearer of the Christ child. Mary responded to God's messenger, the angel Gabriel, with words that have forever changed human history: "Here am I, the servant of the Lord; let it be . . ." (Luke 1:38).

Finally, centuries of courtship culminated in the most intimate act between God and humankind. Through Mary, God literally united with humanity. The almighty God, creator of the universe, came breaking into time and space, came from heaven to earth, took on flesh and became one of us. In Mary an amazing union took place, a union of God and woman, of heaven and earth, of the physical and the spiritual, a union of our imperfect nature with the perfect. "And the Word became flesh and lived among us . . ." (John 1:14).

But, why? Why would God do this? Why would God take such a risk? Why would the immortal, omnipotent God come down out of heaven to live here with us, suffer here with us, and die here with us? If the answer lies anywhere, it lies in the name that the Christ child would bear: "All this took place to fulfill what had been spoken through the prophet: 'Look, the virgin shall conceive and bear a son, and they shall name him Emmanuel,' which means, 'God is with us'" (Matthew 1:22-23). In the human body of Jesus, God was with us fully and intimately. God wanted us to know that he fully knows what being human entails, that he truly knows what pain and suffering and

death are like, for God himself endured some of the greatest pain and suffering anyone could know—on the cross.

Again, why? Why would God do this? God did this out of infinite love and compassion, in order that God could be fully and truly with us in our own battles with pain, suffering, and death. Whenever we face tragedy and suffering in our lives, we can never say that God doesn't know what we are enduring, for he has endured it all with us, and for us, on the cross.

Emmanuel! God is with us! God is with us through the good times and the bad, fully with us in the depths of our greatest suffering, fully with us even in death. Since God has become one with us in Jesus Christ, we know that we will never have to face anything in the world alone. God is *always* with us. Emmanuel! God took on human flesh, suffered, and died for us, so that we would know—know that we are loved forever.

Wishing you all a joyous celebration of God's love this Christmas,

Pastor Jeff

YOUTH GROUP CAMP NEWS

We had 17 young people registered for our camp weekend, along with three advisors. The themes for the weekend included “Jesus’s Stress, Our Stress” and “When God Doesn’t Make Sense”. The Rev. Lori Esslinger kicked off our Friday night session with a discussion of stress and that was followed by several sessions on Saturday and Sunday on different stress topics and studies on Job and Joseph. They can be used as two illustrations of how God’s plans may not seem to make sense until much time passes. Of course there was still plenty of time left for renewing friendships, games, fun, a movie, vespers, and an informative communion service with Pastor Jeff. (We also made over 7 gallons of soup that was donated to the soup kitchen in Reading.

KUTZTOWN KITCHEN

Usually the third Sunday of the month from 4:00 to 6:00 P.M. a Community Meal is held at Trinity Lutheran Church, 357 W. Main St., Kutztown. There is no cost. All are invited. Parking is in the rear of the church on Sacony Alley.

MYSTERY MEMBER/S

The Mystery Member last month was Kaylen Leiby, daughter of Melissa and Kevin Leiby. This month you will be introduced to another member of the church's Youth Group.

This young man was born in the Lehigh Valley Hospital in 2001. According to him his early years were mostly spent playing with his older brother.

He is a High School Student where he participates in many activities; including soccer, tennis, playing French horn in the band and wind ensemble, trumpet in jazz band, and cello in orchestra. He also sings bass in the Men's Chorus, Choraliars, Chorale and Vocal Ensemble. He is involved in Future Business Leaders of America, Science Olympiad, and Fellowship of Christian Students. He performed the role of Hugo in the School Musical, "Bye Bye Birdie". In addition to all of the above he is active in Boy Scouts and STEM Scouts. He has the honor of being an Eagle Scout. He has two siblings and tells us that when he was younger he had a chameleon named Jackie.

Among his hobbies are playing the piano, collecting baseball and football cards, playing card games, and throwing quoits.

His church involvement is as a regular attendee, Youth Group member, and as a reader during the service. He recently attended the Houston Youth Gathering where he enjoyed the closeness of the group during this trip.

As with many of our younger members it seems that they must have more than 24 hours in their days because of all they do. Have you guessed who this young man is?

KUTZTOWN COMMUNITY CHOIR'S CONCERT

The Kutztown Community Choir will present their annual Christmas concert on Sunday, **December 9th** at 3:00 PM, at Trinity Lutheran Church, 357 W. Main St., Kutztown. This season's selections include the lovely medley *Rejoice!*, *Jesus Christ the Apple Tree*, and *Ding Dong! Merrily on High*. This *Holy Night* combines an original tune with the much-loved *O Holy Night* and a sprinkling of holiday fun is injected into our program with secular favorites,

including *It's the Holiday Season*. In what has become an audience favorite, the concert will once again conclude with the *Hallelujah* chorus, from *Händel's Messiah*, in which the audience is invited to join the choir.

*The Politics of Christmas***

Long before the media declared there was a War on Christmas, the authors of Matthew and Luke wove political messages into the stories of Jesus' birth. We'll explore how the Gospels' ancient audiences might have resonated with Herod, the magi, the census, the manger, and the shepherds as we prepare for our own Christmas celebrations.

Dr. Greg Carey is professor of New Testament at Lancaster Theological Seminary. He is author or co-editor of six books, including *The Gospel According to Luke: All Flesh Shall See God's Salvation*, *Soundings in Cultural Criticism*, and *Sinners: Jesus and His Earliest Followers*.
