

## TIME & TALENTS

### Zion's Union Church Maxatawny

*"And I will bless you... so that you will be a blessing." Genesis 12:2*

The Bible teaches that being good stewards means giving of our time, our talents, and our possessions to enhance the kingdom of God. As God is the source of all our blessings, being a good steward is simply returning a portion of the blessings that God has given us back to God.

Please put a checkmark next to ministry areas where you might be interested in participating.
